

## The Joshua Schmiedicke Memorial Scholarship Fund

John XXIII Montessori Children's Center is pleased to offer the Joshua Schmiedicke Memorial Scholarship Fund. This scholarship is a tribute to Joshua, who attended the Atrium from September 2004 until May 2006. Joshua was called home by his Good Shepherd on July 8<sup>th</sup>, 2006, just short of his fifth birthday, where we pray he intercedes for his Atrium "family" as well as his own family.

This memorial to Joshua will make a year of Atrium attendance available for a child whose family is unable to afford tuition for their child due to financial limitations. Families who have exhibited support of the Catechesis of the Good Shepherd program and who have at least two children enrolled in the program may qualify for this scholarship. To apply for this full tuition assistance in the amount of \$550.00, please complete both pages of this form, enclose the most recent year's Federal Tax Return, and mail to the address below. Information on the application will be kept in strictest confidence. Each form will be assigned a number by the head of our independent scholarship committee. This will allow for each family to remain anonymous while being evaluated. The committee will then award the scholarship for that Atrium year.

To be considered for full tuition assistance to the Atrium for the 2010-2011 year, **please be prompt in returning your form by June 30th, 2010**. *No applications received after this date will be considered for this year.* Parents will be notified by the third week of July if their child is designated as the recipient of this scholarship. Those wishing to donate to the fund may also do so using this form by filling out the bottom section.
