*A late fee of \$10.00 will be charged to accounts more than 7 days overdue. Tuition fees are based on enrollment for the entire year. There will be no refunds after the start of the program year. The fact that the Center allows tuition to be paid in two or more installments does not create a fractional contract or in any way relieve the parent of the responsibility for the entire year's tuition, even in the event of choosing to remove their child(ren) from the program.

I have read and agree to the chosen payment option and terms.
